

## Our Systems Come with One Feature You Won't Find Anywhere Else!

**More Success.**  
**More Profit.**

Summit advanced Fire Alarm and Communications systems offer all the advanced performance and quality you expect from an industry leader – plus the unique ability to contribute to your 'bottom line' that you didn't!

- **Avoid costs for extra power supplies and panel modules**
- **Easier to learn with free online and classroom training**
- **Easier to install with default programming and easier wiring**
- **3 year Replacement Warranty – The best in the industry**

Summit™ Fire Alarm systems are UL 864 9th Edition listed and in stock at your local Authorized Security Distributor!
